

### **G-BIACK PLAN OF ACTION 2023**

#### **G-BIACK BOARD OF TRUSTEES (SEATED DOWN) AND STAFF MEMBERS (STANDING)**

May I take this opportunity on behalf of the entire GROW BIOINTENSIVE Agriculture Centre of Kenya team, to wish you all the best in the year 2023. We wish to welcome you again this year to be part of this movement where small holder farmers and the needy communities are empowered so that they can transform their lives through education and knowledge sharing.

This year we will continue our mission to seed a sense of empowerment and self-reliance in communities that lead to improved food sovereignty and a healthier improving environment. Our main aim this year is to teach farmers farming methods for producing high yields of healthy organic food and improved soil fertility.

Our target in 2023 is to educate over 3, 000 new farmers in the following thematic areas;

- Sustainable soil fertility management
- Improved crop management and diversification
- Improved farm planning
- Seed saving
- Value addition and Marketing

Besides this, G-BIACK will focus on the following general activities

- Consolidating and strengthening the farmer's outreach programme
- Consolidating and strengthening the women programmes,
- Strengthen the Youth Against Poverty Programmes (YAPPS)
- Continue expanding the internship programme and providing good accommodation to our interns at our new hostels.
- Continue building the capacities of other NGO's in the areas of agro ecological farming methods
- Expand our seed sovereignty programme beyond our scope of operation
